Academic extension activities carried out

Appointed as **NSS Programme Coordinator at the University level** and serviced in the same position for more than **six and half years** from the year 2005 - 06 to 2011- 12.

During the period many more, NSS regular and special camping activities were carried out both in the university and affiliated colleges by maintaining 125 NSS units (control of 12,500 NSS volunteers from 4 Districts Arts and Science colleges). The special camps were achieved from 92 to 98%. Therefore, NSS cell of the University was adjudicated as best one by State and Regional NSS cell. As to recognize the NSS volunteers, they were given away NSS awards at the University and State level and volunteers were encouraged to attend the University, State and National events. Thiruvalluvar University NSS volunteers participated in the Republic day parade in New Delhi continuously for four years with three participants after scrutinizing University and Regional level selection.

Appointed as **Red Ribbon Club Coordinator at the University level** along with the assignment of NSS activities as its Coordinator for **more than 7 years**.

This position has been continued from the year 2005-06 to till date. During the period, many more Red Ribbon Club activities were carried out as directed by Tamilnadu State Aids Control Society, Chennai and District Administration to create awareness on HIV/AIDS to the student youths in the college level and public. RRC Cell of the University has the control of 83 RRC units (8,300 Student volunteers). RRC Coordinator was awarded state level for giving away maximum blood units in the Vellore District.

Note : The above NSS and Red Ribbon Club activities in the position of their programme coordinator along with routine teaching profession in the University, were carried out.
